Docket No. 98N-1265

3770 99 MAY 28 09:08
Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: I am unable to take the synthetic compounds
from the drug companies. I must be able to get specialized
medications from a compounding pharmacy out of my state.
It's the only way I can control my medical condition.
Don't restrict availability of my medicine from a
specialized compounding pharmacy.
